UMB & Affiliated Confederations - World Cup Three Cushion Rules

PREAMBLE

The following rules have been drawn up on the basis of the statutes and rules of the UMB and the resolutions of their bodies. They have binding validity and are to be observed in order to promote and secure World Cup Tournaments. These rules are specifically tailored to World Cup tournaments, all other established sports rules and regulations remain in force unless they should contradict the rules listed in this Appendix. All organizers and players should be familiar with and accept these rules.

1. Appeal to organize the Three Cushion World Cup Tournaments:

The UMB invites Confederations and Federations to organize one or several World Cup tournaments on the following basis.

A minimum of four World Cup tournaments must be held throughout each calendar year (1/1 – 31/12), the player that obtains the highest total of points from participating in each World Cup held throughout the year will be declared the winner of the year's circuit. A trophy will be presented to the winner.

An additional €24.000,00 net will be distributed among the first 12 ranked players at the end of the World Cup Circuits 2015, 2016 and 2017, as follows:

1 st Place	€ 5.000,00
2 nd Place	€ 3.700,00
3 rd Place	€ 2.500,00
4 th Place	€ 2.000,00
5 th Place	€ 1.700,00
6 th Place	€ 1.600,00
7 th Place	€ 1.500,00

12 th Place	€ 1.000,00
TOTAL	€ 24.000,00

2. Organizer and Tournament Name:

According to the region in which the World Cup tournament will be held, the tournament will be named UMB/CEB World Cup/Grand-Prix or UMB/CPB or UMB/ACBC World Cup (or with an equivalent Confederal supplement). Commercial entities and major sponsors may have their

names displayed after this official title.

The organizer must send all basic information (hotel information, number of tables, maximum registrations, etc.) to the UMB not less than two months before the start of the tournament.

The invitation, including this basic information, will be sent out by the UMB at least 45 days before the start of the World Cup.

3. Prerequisite for Participation:

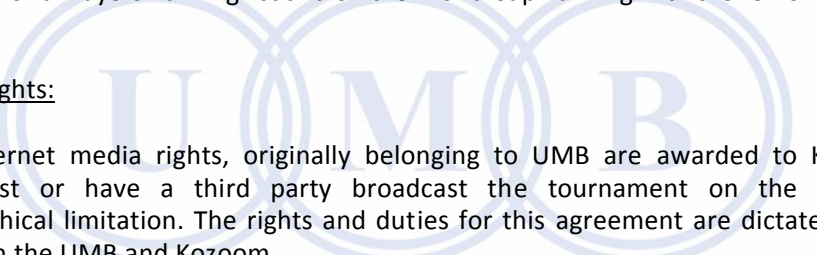

All tournaments are open tournaments, all members of the UMB and all Confederal members are allowed to participate on the condition that they have not been suspended by the UMB, the Confederation or by their National Federations and that they have been inscribed within the period stipulated.

4. UMB Recognized Tournaments:

Only tournaments that are mentioned on the official sports-calendar of the UMB are to be considered as recognized tournaments. World Cups are by definition recognized tournaments. Confederations are permitted to organize one international open non-World Cup Tournament per year. The rules concerning such tournaments are stipulated in a separate document.

A player who is participating in a non-recognized open tournament will immediately be penalized on the World Players Ranking list and on the World Cup Ranking with the removal of 8 points.

5. Media Rights:

The internet media rights, originally belonging to UMB are awarded to Kozoom, who will broadcast or have a third party broadcast the tournament on the internet, without geographical limitation. The rights and duties for this agreement are dictated by the contract between the UMB and Kozoom.

The Organizer accepts Kozoom as the production company in charge of delivering the signal.

In special cases where TV production is made by a company other than Kozoom, Kozoom will adapt to the requirements of the production company by withdrawing their cameras to make way for them. In these circumstances the TV production company, assigned or contracted by the Organizer, must provide - free of charge - a "clean" signal to the Kozoom Control Center installed on site to ensure continuous internet broadcasting. Should there be a partial or permanent signal interruption to Kozoom the UMB will charge the Organizing Federation for the Kozoom team expenses; including hotel, meals & transportation, plus a fixed amount of €2.500. In the event of partial interruption, the penalty and charges will be applied proportionately.

Other broadcasting entities are not permitted to show live-streaming images of the tournament via the internet unless previously agreed with Kozoom. Kozoom commits to using their best efforts to ensure that the internet agreement with the UMB will not affect any other action that may occur between the UMB or its organizers and a Television Channel.

The television rights are owned by UMB who is free to market and/or lease these rights regardless of other parties.

- The rights for direct national broadcasting of the World Cup competition or parts of it are automatically given to the organizing federation who may transfer these rights to the local organizer; in this case a copy of such agreement must be forwarded to the UMB for approval.
- The rights for direct international broadcasting of the World Cup competition or parts of it must be subject to a preliminary agreement between UMB and the Organizing Federation and/or local organizer.
- In both cases the broadcasting company may use the Kozoom production and signal for free.

Images produced by a broadcasting company may be made available for use in non-live broadcasts of the World Cup competition or parts of it, subject to an agreement between the requesting company, the UMB and the World Cup organizer.

Images produced by Kozoom may be made available for use in non-live broadcasts of the World Cup competition or parts of it, subject to an agreement between the requesting company and UMB/Kozoom.

6. Image Rights:

Within the frame of World Cup competitions the players cede the “rights of images” of their person and agree that images of their person may be used for any media-application within the limits normally accepted within the international sports world. Should these images be used for commercial advertising additional rights must be applied for and approved by the UMB.

7. Matches and Breaks:

Within the PPPQ, PPQ, PQ groups all matches are to be played in accordance with a total of 30 points, Q groups total 40 points, with equalizing innings, without penalties, and 1 match point for each player in case of a tied match. The main tournament will be played with 32 sportsmen/women in a direct KO system, with a total of 40 points with equalizing innings and penalties. There will not be third and fourth place matches. There will be two third places.

One break of five minutes per match is applied after 15 points for matches with a total of 30 points, and after 20 points for matches with a total of 40 points - reached by one or both players. Additionally in the event that a match will be broadcast on television there may be an exception to this rule, following joint consultation with the UMB delegate and UMB Technical Delegate, the organizer can decide about longer and/or additional breaks. In exceptional cases a necessary medical break of a maximum of five minutes may be allowed by authorization of the referee. No break is allowed before the start of the penalties.

The Classification List will be specified as follows:

The number of qualifying players from groups qualify for the Main Tournament in accordance with:-

- Match points

Penalty Rules:

- a) Penalty shots are played in the same order as per the start of the match.

9. Entry fees for Players and Qualification Round:

This fine must be paid to the UMB account (with written proof at accreditation) or to the UMB Delegate, or the UMB Technical Delegate prior to the start of any further tournaments. The player will not be entitled to participate in any future recognized international UMB tournaments if he or she fails to pay this fine. Furthermore, in the event of any absence without a valid reason the player will be penalized with 8 points on the World Player Ranking and in the World Cup Ranking.

The Number of qualification rounds will be decided according to the number of registered participants; in the event a player in a group is absent before the start of a qualification round, the following rules will be applied for this group:

- a) For the first qualification round, the no-show player(s) will be replaced by (the) player(s) from the reserve list who is/are present. In the event there are no players from the reserve list present, the organizer has the right to replace the no-show player(s) with local player(s).
