

## WORLD CHAMPIONSHIP 5-PINS INDIVIDUAL OPEN 2019 RULES

### PREAMBLE

The World Championship 5-Pins OPEN is composed by two phases: “Qualification Tournaments Open” and “Main Tournament”.

#### **1.0. QUALIFICATION TOURNAMENTS (OPEN)**

- 1.1. The participation to the qualification tournaments is open to all members of UMB and all Confederal members on the condition that they have not been suspended by the UMB, the Confederations or by their National Federations.
- 1.2. Two qualification tournaments open will be organized; one in Europe with participation of players coming from all CEB Federations and the second one in South America with participation of players coming from all CPB Federations.  
The Federation organising the WC is fully responsible to organize one qualification tournament in his continent, while the second one will be assigned by UMB to a Federation of the opposite continent under the supervision of UMB.
- 1.3. The entry fee for the qualification tournaments is Euro 50,00 per player. All National Federations are responsible for sending inscriptions of players to the Organizing Federations and are responsible for the payment of the entry fee.  
The organizer federations are entitled to this entry fee.
- 1.4. The number of qualification rounds will be decided according to the number of registered participants.
- 1.5. The registered players of each tournament will be drawn into groups of 8 players using the KO system, best of 5 sets to 60 points.
