

Accreditation and Official Antidoping Education Training - September 17 th 2026	
	During the session, players participating in the Junior World Championship will be accredited. This confirms their participation in the championship, and they must present their passports when requested by the accreditation desk.
18:30	This is a mandatory program for players. The training will provide relevant information on doping and the habits to maintain to comply with current regulations. This training is on the official WCBS and WADA schedule and will be conducted by a WCBS technician.
19:30	End of Education antidoping season.
19:45	End of Accreditation
